

On behalf of all of us here at China Diner, we would like to say a big thank you to everyone who has supported us, not only this year, but since we established (in the exact same spot in Beaconsfield) in 1978!

2020 has been a learning curve for all of us in the hospitality industry, but also for every one of you and we cannot thank everyone enough to adjusting to our 'new normal' here at China Diner.

The new alien ways of social distancing have not only altered the dining experience, but have also led to the speedy creation of an entirely new contact-free takeaway service. To the lovely customers waiting out in the cold and rainy weather when our pre-order service has run a little behind - thank you for your patience!

With no hugs and touchy hellos that we were used to and what felt like false smiles behind our masks at times, we cannot deny that 2020 has been hard for us. But, our brilliant team have taken on the challenges and done their utmost to ensure the best service possible, whilst fulfilling the ever-changing guidelines that have been thrown at them.

We wish you all a Happy New Year and a healthy and safe 2021!

From Pui, Eric and all of China Diner team.
