

COVID-19 Update

Saturday 28th March 2020

To all our customers,

Due to the current Government measures in place to contain the spread of COVID-19 (Coronavirus), **we have made the difficult decision to keep China Diner closed until further notice.**

We are continuing to monitor the situation on a week-by-week basis, but at present, the health and well-being of our staff and customers is our priority. For this reason, **we will not be able to provide our much loved Take-Away service.**

Thank you to everyone who has been in touch with kind messages of support throughout this tough time. We would like to stress that our closure is very much a temporary measure and we look forward to welcoming you back in the near future.

We will continue to communicate updates via Instagram and our Website.
